Dear Parents

June 2010

Each year we organise a skiing/snowboarding trip to America in the February half term (19th – 27th). In the past few years we have travelled extensively to some of the best resorts the USA has to offer at a heavily discounted rate and had a fabulous time.

Why America and NOT Europe.

America offers us unparalleled ski/board and après ski opportunities that Europe does not offer. The slopes and Pistes are huge (Snow Basin 4500 acres) with a vast array of runs for all levels. This combined with outstanding, all day tuition, no language barriers, food the boys like and some very cheap designer labelled goods really does sell the USA as a place to ski.

The package consists of ski/board hire, boots hire, 5 hours of tuition per day all transport and hotel and bed/breakfast/evening meal. Within this price will also include full insurance and transport from St Olaves to the airport and returning to St Olaves at the end of the trip. On top of this we are adding an extensive evening programme of activities as part of the basic packaged and a possibility of either seeing a NBA basketball match or a NHL Ice Hockey game at small extra cost.

The total cost for this will be £1275, some £20 cheaper than last year which I believe offers very good value for money.

We will be taking up to 40 students, so it will be on the basis of first come first served. What you need to do initially is fill in the slip below, ensuring you fill in the email address, so I can keep you fully informed, and send in the slip below with a £100 deposit. I will then be asking for further deposits throughout the year.

Any problems then please contact me on pholla@saintolaves.net
